Title of minute: Governor-General (Allowance) Order 2024 (CAB-24-MIN-0019 refers)

Office of the Prime Minister

Chair, Cabinet

GOVERNOR-GENERAL (ALLOWANCE) ORDER 2024

Proposal

- 1 This paper proposes that Cabinet authorise the submission of the Governor-General (Allowance) Order 2024 to the Executive Council. The order sets the rate of the Governor-General's allowance for expenses at \$39,656, as at 1 October 2023.

Policy

- 2 Under the Governor-General Act 2010, the Governor-General must be paid an allowance for official expenses. The allowance is currently set at \$37,536 a year. The allowance is exempt income and is therefore free from income tax.
- 3 The allowance is provided to help meet expenses incurred by the Governor-General personally in undertaking her duties.
- 4 The allowance is adjusted annually, to reflect the percentage movement in the Consumer Price Index (CPI) between the September quarter of that year and the September quarter of the immediately preceding year.
- 5 The movement in the CPI between the September 2022 and September 2023 quarters is a 5.6 per cent increase. This translates to an increase in the Governor-General's allowance of \$2,120.
- 6 Under section 6(3) of the Governor-General Act, an Order in Council setting the allowance comes into force on the date specified in the order, which may be a date that is before the date the order is made.
- 7 The permanent appropriation for the salary and allowance is in Vote Prime Minister and Cabinet, Governor-General's Salary and Allowance PLA.

Timing and 28-day rule

- 8 The order will be deemed to have come into force from 1 October 2023. A waiver of the 28-day rule is permitted as the order has no effect on the public (Cabinet Manual at 7.101).

Compliance

- 9 The secondary legislation is consistent with:
 - 9.1 The principles of the Treaty of Waitangi.
 - 9.2 The rights and freedoms contained in the New Zealand Bill of Rights Act 1990 and the Human Rights Act 1993.

- 9.3 The principles and guidelines set out in the Privacy Act 1993.
- 9.4 Relevant international standards and obligations.
- 9.5 The *Legislation Guidelines* (2021 edition), a publication by the Legislation Design and Advisory Committee.

Regulations Review Committee

- 10 There are no grounds for the Regulations Review Committee to draw the secondary legislation to the attention of the House under Standing Order 327.

Certification by Parliamentary Counsel

- 11 The Parliamentary Counsel Office has certified that the order is ready for submission to Cabinet.

Impact Analysis

- 12 A regulatory impact statement is not required as the proposal is of a minor machinery nature.

Publicity

- 13 No publicity is envisaged.

Consultation

- 14 Treasury has been advised.

Proactive release

- 15 This paper will be proactively released, subject to any redactions.

Recommendations

- 16 I recommend that Cabinet:
 - 16.1 **note** that the allowance for the Governor-General under the Governor-General Act 2010 is currently set at \$37,536 a year;
 - 16.2 **note** that the Governor-General's allowance is adjusted annually to reflect the movement in the CPI;
