## **Time-lapse video of the Christchurch Central Business District, 1 February 2012 to 31 January 2013**

Release Date: 08 February 2013

The Canterbury Earthquake Recovery Authority has released a video showing time-lapse photography of the Christchurch Central Business District taken between 1 February 2012 and 31 January 2013.

Shot from the roof of HSBC Tower on Worcester Boulevard, the video depicts changes to the CBD landscape looking out towards Cathedral Square.

Please note that due to equipment issues that were not immediately resolved, there is a short period for which footage is not available.
