Official Information Act request relating to NEMA job descriptions and delegations

Thank you for your Official Information Act 1982 (the Act) request received on 19 March 2025. You requested:

"...the current job descriptions for the following roles: Chief Advisor to the CE Chief Advisor to the DCE Chief of Staff

I am also interested in which roles in the ELT/ SLT structure hold authoritarian powers over staff in terms of telling them they need to do something."

Only one job description (JD) exists for the two Chief Advisor roles, as these are substantively the same. This JD is provided in the attached document.

Likewise, only one JD exists for the Chief of Staff roles in both the National Emergency Management Agency (NEMA) and the Department of the Prime Minister and Cabinet (DPMC). The DPMC JD predates the NEMA role, and it is this that is provided in the attached document. The Chief of Staff NEMA reports to the Chief Executive NEMA.

In addition, I have decided to provide you with the JDs for roles that may be seen to fall within the scope of the part of your request for "*roles in the ELT/ SLT structure [which] hold authoritarian powers over staff in terms of telling them they need to do something.*" We note that NEMA would not describe these roles as holding "authoritarian powers," but are interpreting this request as relating roles that can issue instructions to their direct reports. These roles, listed by Executive Leadership Team (ELT) and Senior Management Team (SMT) are:

<u>ELT:</u>

- Deputy Chief Executive, Strategic Enablement
- Deputy Chief Executive, Emergency Management
- Deputy Chief Executive, Assurance
- Manager, Business and Performance

<u>SMT:</u>

- Communications Manager
- Manager Planning and Sector Partnership
- Manager System Capability
- Manager, Talent and Organisational Development

- Manager Continuous Improvement
- Manager, Regional Partnership
- Manager, Risk and Recovery
- Manager, Policy
- Manager National Operations
- Strategic Programme Director

Any delegation of functions or powers from the Chief Executive, NEMA to staff is undertaken in accordance with the requirements in the Public Service Act. The DPMC/NEMA Delegations Policy sets out the financial and human resource delegations for NEMA People leaders, and DPMC/NEMA policies and guidance also set out the responsibilities of people leaders and staff – for example, management of conflicts of interest, procurement of goods and services, flexible working.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

This response will be published on the Department of the Prime Minister and Cabinet's website during our regular publication cycle. Typically, information is released monthly, or as otherwise determined. Your personal information including name and contact details will be removed for publication.
