

Schedule of Responsibilities Delegated to Associate Ministers and Parliamentary Under-Secretaries

[10 June 2025]

This paper is presented to the House, in accordance with the suggestion of the Standing Orders Committee in its *Report on the Review of Standing Orders* [l. 18A, December 1995].

At page 76 of its report, the Standing Orders Committee recorded its support for oral questions to be asked directly of Associate Ministers who have been formally delegated defined responsibilities by Ministers having primary responsibility for particular portfolios.

The Standing Orders Committee proposed that the Leader of the House should table in the House a schedule of such delegations at least annually. The attached schedule has been prepared by the Cabinet Office for this purpose.

The schedule also includes responsibilities allocated to Parliamentary Under-Secretaries. Under Standing Orders, Parliamentary Under-Secretaries may only be asked oral questions in the House in the same way that any MP who is not a Minister can be questioned. However, they may answer questions on behalf of the principal Minister in the same way that Associate Ministers can answer.

The delegations are also included in the Cabinet Office section of the Department of the Prime Minister and Cabinet website (<http://www.dpmc.govt.nz/cabinet/ministers/delegated>), which will be updated from time to time to reflect any substantive amendments to any of the delegated responsibilities.

Hon Chris Bishop
Leader of the House
