The Cabinet Office is currently undertaking a procurement process for the CabNet 2.0 project. On Thursday 21 November 2024 a Registration of Interest for the project was notified on the Government Electronic Tenders Service (GETS). As part of this process, nine submissions were received in response to the Registration of Interest. Shortlisting decisions were made in February 2025.

The procurement process for the CabNet 2.0 project is still ongoing and the contract has not yet been awarded. Therefore, I am unable to disclose the name(s) of the successful tenderer(s), contract value, and date the contract was awarded under section 18(e) of the Act on the basis the information does not yet exist. Following completion of the procurement process, the details regarding the date of the contract award, the successful tenderer and the contract value will be published on the GETS website.
